Subject: Microsoft Settlement

Dear Sir or Madam,

I would like to say that I am not in favor of the current proposed final judgment in this case. I feel that it does not go nearly far enough in preventing future anticompetitive acts by Microsoft, and many of the definitions contained within it are either too vague or incorrect.

Insofar as you take public opinion into consideration on these matters, please count this as a "vote" (so to speak) against the current proposed settlement.

Sincerely,

Russell Dekema
